EXPERIENCE

Marketing Specialist — *Marketing Systems & Analytics*
Design and Direct Source | Portland, OR | 2024 - Present

- Expanded and optimized an online product catalog spanning thousands of tile and stone products, managing technical data, product descriptions, collateral, and product launches.
- Built NetSuite-BigCommerce integrations that automated product, category, and order updates, eliminating manual maintenance and keeping website content aligned with internal data.
- Created NetSuite reporting and analytics tools used for marketing performance analysis, sample program tracking, inventory visibility, and product-line evaluation.
- Led content strategy focused on the A&D community, producing targeted email campaigns and automated lead nurturing programs.

Project Manager — *Production & Client Coordination*
Walla Walla Foundry | Walla Walla, WA | 2023 - 2024

- Managed teams of 40+ artisans, fabricators, engineers, and technicians to deliver large-scale contemporary sculpture projects in bronze, stainless steel, aluminum, wood, resin, and mixed media.
- Directed project execution from planning through completion, ensuring adherence to artistic intent, quality standards, and project deadlines.
- Coordinated communication among artists, engineers, vendors, and production teams to resolve technical challenges and maintain project schedules.

Project Management Assistant — *Website & Technical Documentation*
Walla Walla Foundry | Walla Walla, WA | 2020 - 2023

- Designed and developed the company website, showcasing major projects, capabilities, and the brand's story.
- Created technical manuals incorporating assembly, handling, installation, and maintenance procedures, translating complex engineering drawings into client-facing documentation.
- Managed artwork approval photography and project progress documentation, providing clients with visual updates throughout production.

Marketing Coordinator
ArtWalla | Walla Walla, WA | 2019 - 2020

- Led ArtWalla’s rebranding initiative, establishing a new visual identity and brand standards.
- Built and launched a new website and fundraiser e-commerce platform.
- Developed targeted social media campaigns that expanded community engagement with programming.
